

Welcome.

For over 120 years the Conner family has been in resort hospitality in Ocean City, Maryland. This generation proudly offers a deluxe, full-service Boardwalk Hotel in the heart of everything.

PARK PLACE HOTEL

overlooks clean, well guarded, wide beaches and the waves of the Atlantic. Best of all, the amusements are only a few blocks away.

Enjoy magnificent, panoramic views of the beach and Boardwalk from our two restaurants. Awaken, with coffee, from your private balcony. Enjoy the moon rise over the Atlantic and catch the action on the Boardwalk.
